

AB		00	01	11	10
C					
0		1	1	0	0
1		1	1	1	0

The image shows a Karnaugh map for three variables A, B, and C. The map is a 2x4 grid. The columns are labeled AB (00, 01, 11, 10) and the rows are labeled C (0, 1). The cells contain the following values:

C \ AB	00	01	11	10
0	1	1	0	0
1	1	1	1	0

Two prime implicants are highlighted:

- A green rectangle covers the cells (0,0), (0,1), (1,0), and (1,1).
- A red rectangle covers the cells (1,0) and (1,1).

The cell (1,1) is the intersection of the two rectangles and is shaded brown.
